Gentlemen:

This is to advise that on March 17, 1982 the Conoco, Inc.'s Sanderson A #12 Eumont gas well located in Unit P of Section 14, Township 20-S, Range 36-E, Lea County, New Mexico was disconnected from El Paso's gathering system. This meter run is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to insufficient wellhead pressure to produce into El Paso's gathering system.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
