Re: McAlester Fuel Company's State FO Well No. 1-0
19-20-36

Gentlemen:

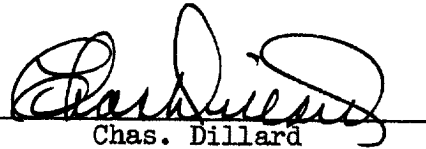

In reply to your letter of April 4, 1957, regarding the above well, this well has remained shut in since completion due to the lack of a commercial market, and at the present time we are seriously considering the possibility of abandonment.

If this is approved by our Geological Department, we will be applying for a permit for abandonment.

Yours very truly,

McALESTER FUEL COMPANY
