Gentlemen:

This is to advise that on March 3, 1966, the Continental Oil Company's Reed B-22 No. 2, Eumont gas well located in Unit A of Section 22, Township 20, Range 36, Lea County, New Mexico, was disconnected from El Paso Natural Gas Company's gathering system.

This disconnection was due to the well being plugged and abandoned.

Yours very truly,

EL PASO NATURAL GAS COMPANY
