# THE HISTORY OF THE CITY OF BOSTON

1780

The city of Boston, situated on a peninsula, has a long and interesting history. It was first settled by the English in 1630, and has since that time been a center of commerce and industry. The city has grown from a small fishing village to a large metropolis, and has played a prominent part in the history of the United States.

The city of Boston is one of the oldest in the United States, and has a rich and varied history. It was first settled by the English in 1630, and has since that time been a center of commerce and industry. The city has grown from a small fishing village to a large metropolis, and has played a prominent part in the history of the United States. The city is situated on a peninsula, and is surrounded by water on three sides. It has a long and interesting history, and has played a prominent part in the history of the United States.
