Attn: J. W. Baulch

Gentlemen:

Our records indicate that you were notified by letter dated October 20, 1958 that it would be necessary for this office to be furnished a notice of disconnection for the Amerada Pet. Corp. Federal "D" Well No. 5 in Unit M of Section 26, T-20-S, R-36-E, or in the event that El Paso Natural Gas Co. is still connected, that we should be informed as to whether the gas being taken is high or low pressure and from which zone. To date we have had no reply.

Please give this matter your early attention in order that the well may be removed from the Gas Proration Schedule.

Yours very truly,

OIL CONSERVATION COMMISSION
