Eumont Y-SR-QN Gas Pool

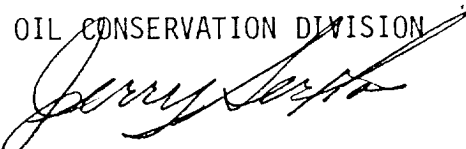

Gentlemen:

According to Zia Energy's C-104 filed with this office, Northern Natural Gas was connected to the above-referenced well January 24, 1989. As of this date we have not received a "gas connection notice" from Northern. Zia indicates that the well has been producing even though your monthly report, Form C-111, does not reflect any takes from this well.

Please furnish connection notice and amend your monthly reports, Form C-111, to reflect the takes from this well since connection.

Very truly yours,

OIL CONSERVATION DIVISION
