13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Originally the Federal Gov't needed an integrity test which we did. Then I guess they changed their mind and needed justification for the TA status. Plan to bring back to production within 90 days unless you force us to plug it resulting in possible loss of reserves and \$50,000 additional money in the Lea County economy.
