Gentlemen:

In accordance with Rule 5, Section (B)-4 of Special Rules and Regulations for Esmont Gas Pool as set forth in Order R-530, this is to give written notice that we are making application for the approval of a non-standard 40 acre gas proration unit for our Federal Popeano A/C 1, Well No. 4, located in the SE/4 SE/4 of Section 26, T-30-S, R-36-E, Lea County, New Mexico. We are making this request because the well was recently reclassified by the Oil Conservation Commission from a Esmont Monument Oil well to a Esmont Gas well.

We have attached a location plat, gas unit plat and a letter of our application to the Commission.

Yours very truly,

HUMBLE OIL & REFINING COMPANY

Enclosure

In accordance with Rule 5, Section (F)-7 of Federal Rules and Regulations for Bureau Gas Wells as set forth in Order No. 10, this is to certify that we are making application for the approval of a well to be drilled in the SE 1/4 of Section 33, T-20-S, R-20-E, New Mexico, located in the SE 1/4 of Section 33, T-20-S, R-20-E, New Mexico. We are making this request because the well was recently completed by the Oil Conservation Commission from a surface location and will be a "bent" gas well.

We have attached a location plat, gas unit plat and a letter of application to the Commission.

Very truly,
Yours very truly,

WILLIAM C. BRYAN & SONS, INC.
