Re: Southern Petroleum Exploration, Inc. TSO State No. 1 Well
NW/4 NE/4 of Sec. 29-20S-36E, Lea County, New Mexico

Gentlemen:

In compliance with your instructions, we enclose six copies of our C-105 report on the before described well which completes all the information we have to the plugging record submitted to you on C-103 on June 28, 1955.

This is to further amplify our air mail letter to you of this date explaining we had made a transaction with Mr. J. Don Hudgens, Box 1895, Hobbs, New Mexico, to take over the well after it was plugged. His intentions may be noted in our letter of this date and in his C-101 report he has made to you. It is presumed that Mr. Hudgens has started this work and in doing so relieves us of any responsibility of the plugging of the well as it becomes his responsibility if he is convinced it is a dry hole to replug the well in accordance with rules and regulations of the New Mexico Oil Conservation Commission.

In order that you may approve our C-103 report of plugging and also approve Mr. Hudgens' C-101 report of work to be done, Mr. Hudgens hereby agrees to accept responsibility to you by signing a copy of this letter which is being sent to him. Otherwise Mr. Hudgens would be performing work with no State authority whatever.

On receipt of his signed copy of this letter, we believe your records and files can then be put in order.
