Dear Mr. Enfield:

Enclosed you will find a form letter which shows what is yet to be filed before an allowable can be assigned for the Bell Oil Co., Ltd. Sinclair State No. 1 in Unit G of Section 32, T-20-S, R-36-E.

The Notice of Connection will be filed by the transporter. It will be necessary, however, for you to make application to the office of the Commission in Santa Fe for a Non-Standard Proration Unit for the well since it is within a mile of the Eumont Gas Pool, in which a standard unit is 640 acres.

We are enclosing a memorandum which deals with the filing of these applications for your convenience.

Yours very truly,
