

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

AGREEMENT AND INDEMNITY

The undersigned George Sims, in consideration of the Wilson Oil Company relinquishing to him as a water well, the well described on the reverse side hereof, it having been plugged back to 1220 feet, does hereby assume, undertake and agrees to perform all the obligations and duties of the Wilson Oil Company to the State of New Mexico in connection with the operation, plugging and abandonment of the well and further assumes the same obligations to the surety on the bond of the Wilson Oil Company as to this particular well. The undersigned agrees further to indemnify and save harmless the Wilson Oil Company and its successors from any liability, expenses or costs which may arise by reason of claims or demands made by the State of New Mexico for failure to plug or otherwise properly abandon said well.

February _____, 1952.
