17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. SEE RULE 1103.

This well has been on T.A. status since 1/10/74 because we feel it is uneconomical to produce at this time due to the volume of water it produces.

Aztec Oil & Gas Company has proposed a unit for water flooding this area, and we hope this well may be used as an injection well and therefore, would like to remain on T.A. Status.

Expire 10/1/76

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
