Amerada Petroleum Corporation
Drawer D
Monument, New Mexico

Attention: Mr. D. C. Capps

Administrative Order NFO-200

Gentlemen:

Reference is made to your application for permission to flare or vent gas from your Ida White Well No. 1, located in the NE/4 SW/4 of Section 35, Township 20 South, Range 36 East, Lea County, New Mexico, in the Lument Pool.

By authority granted me under provisions of paragraph (10) of Order R-520, as amended by Order R-553, you are hereby authorized to flare gas from the above described well.

Under the provisions of Order R-553 you must file Form C-110 in quadruplicate with the Hobbs office of this Commission (Box 2045), showing thereon that the gas is being vented or flared. In the future if you secure a connection for your gas, you must file an amended C-110 showing the applicable information. If you have not filed Form C-110, please do so immediately in compliance with the rule.

At some future date the Commission may request that you furnish this office with a progress report of your efforts to eliminate the venting or flaring of gas from the above described well.

Very truly yours,

W. B. Macey
Secretary-Director

Administrative Order NY-100

Monmouth

Reference is made to your application for permission to the vent gas from your Ida White Well No. 1, located in the NE 1/4 of Section 35, Township 20 South, Range 30 East, Lee County, New Mexico, in the Monmouth Pool.

By authority granted me under provisions of paragraph (c) of Order 8-520, as amended by Order 8-523, you are hereby authorized to vent gas from the above described well.

I meet the provisions of Order 8-523 you must file Form C-110 in quadruplicate with the Hobbs office of the Commission (Box 2025), showing person that the gas is being vented or flared. In the future if you secure a connection for your gas, you must file an amended C-110 showing the appropriate information. If you have not filed Form C-110, please do so in accordance with the rules.

At some future date the Commission may request that you furnish this office with a progress report of your efforts to eliminate the venting or flaring of gas from the above described well.

Very truly yours,

W. B. Massey
Secretary-Director
