Re: Eumont Gas Com No. 3
Section 35, T20S, R36E
Non-standard Proration Unit

Gentlemen:

As requested, the Eumont Gas Com No. 3 Well #2-G was changed to the L.C. Fopeano Fed A/c-2 #7-G and an oil allowable will be assigned effective July 1, 1987. As a result of this reclassification the acreage dedicated to your Eumont Gas Com No. 3 Well #1-A will be reduced to 120 acres effective July 1, 1987.

You will have 60 days in which to obtain approval of the 120-acre non-standard proration unit for the #1-A. If you have not already submitted your letter requesting this, please do so immediately.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
