INSTRUCTIONS

This form shall be executed and filed in quadruplicate with the Oil Conservation Commission at Santa Fe, New Mexico, covering each unit from which oil is produced. A separate certificate shall be filed for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

Any certificate shall be filed to cover each change in operating conditions in the transporter, except that in the case of a change in the transporter involving less than the allowable percentage change in the transporter shall in lieu of filing a new certificate be filed in the transporter file with the file with the

A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter temporarily and a copy of such notice shall also be furnished such temporary transporter. Such temporary transporter shall not move any more oil than the estimated amount shown in said notice.

This certificate when properly executed and approved by the Oil Conservation Commission shall constitute a permit for pipe line connection and authorization to transport oil from the property named therein and shall remain in full force and effect until

- (a) Operating ownership changes
- (b) Ownership of the property is changed or
- (c) The Commission.

- (a) Operating ownership changed
 - (b) The transporter is changed or
 - (c) The permit is cancelled by the Commission.
- rules and regulations of the Oil Conservation Act, shall be applied with at the same time
- "REMARKS."

- (a) Operating ownership is changed or
- (b) The transporter is changed by the Commission.
- (c) The permit is cancelled by the Commission.

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the same time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in ownership or a change in the transporter designated to move the oil, the previous owner or operator and the transporter oil producing unit shall be named.

(c) The permit is issued only if any of the rules and regulations of the Commission have not been complied with at the same time filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to transport oil.

A separate report shall be filed to cover each producing unit as Oil Conservation Commission.

In all cases where this certificate is issued, explain fully the reasons for the change in the transporting ownership or a change in the transporting oil, show under "REMARKS" the previous owner or transporter previously authorized to transport oil.

A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
