PROPOSED NSP 41
PROPOSED NSL _____

Dear Mr. Macey:

I have examined the application dated November 12, 1954
for the El Paso Natural Gas Co. Shell State #10 36-20-36 Eumont
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

Until such time as pool rules may be changed for this area the 160
acre unit productive of gas at this time. With withdrawals this may
change. Humble Foepeano #2, Unit H Sec. 35-20-36 is an oil well
producing from the same zone.

Yours very truly,

OIL CONSERVATION COMMISSION
