RE:
PROPOSED NSP #173
PROPOSED NSL _____

Dear Mr. Macey:

I have examined the application dated July 14, 1955
for the Cities Service Oil Co. State AT #1 4-198-37E
Operator Lease and Well No. S-T-R

and my recommendations are as follows:

Hearing to prove all productive of dry gas---R. F. M.
Part of acreage productive of oil, however, due to precedent the acreage
should be granted. I do not agree in simultaneous dedication of oil and
gas acreage, however, the Commission cannot discriminate by rejecting one
operator and granting another unless policy change is made---further if
simultaneous acreage is granted to every operator it may prove to be equitable
in the final analysis. This is a complicated problem.---S. J. S.

Yours very truly,

OIL CONSERVATION COMMISSION
