Name C. C. Cummings

Address Hobbs, New Mexico

OIL CONSERVATION COMMISSION,

By Fry Hazard

Title Oil & Gas Inspector

1. The first part of the paper is devoted to the study of the

properties of the

operator T .

2. In the second part, we consider the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

3. The third part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

4. In the fourth part, we consider the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

5. The fifth part is devoted to the study of the properties of the

operator T .

6. The sixth part is devoted to the study of the properties of the

operator T .

7. The seventh part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

8. The eighth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

9. The ninth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

10. The tenth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

11. The eleventh part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

12. The twelfth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

13. The thirteenth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations

14. The fourteenth part is devoted to the study of the properties of the

operator T and the problem of the existence and uniqueness of the solution of the boundary value problem for the system of equations
