Attention: Mr. A. L. Porter, Jr., Secretary Director

Re: Continental Oil Company Application for a 160-acre non-standard gas proration unit for its State C-30 No. 5 well in Section 30, T-19-S, R-37-E, Eumont Gas Pool, Lea County, New Mexico.

Gentlemen:

Continental Oil Company respectfully requests administrative approval under the revisions of Rule 5 (b) of the Special Rules and Regulations for the Eumont Gas Pool of Order No. R-520 for the formation of a 160-acre non-standard gas proration unit for its State C-30 No. 5 well located 990' from the North and 1650' from the west line of Section 30, T-19-S, R-37-E, Lea County, New Mexico in the Eumont gas pool.

The unit is proposed to consist of the 160 acres comprising the NW/4 of Section 30, T-19-S, R-37-E.

In support of this request we should like to point out that the proposed unit conforms with the requirements of said Rule 5 (b) in all respects as follows:

1. Said proposed non-standard gas proration unit consists of continuous quarter-quarter sections.
2. Said proposed non-standard gas proration unit lies wholly within a single governmental section.
3. The entire proposed non-standard gas proration unit may be reasonably presumed to be productive of gas.
4. The length or width of said non-standard gas proration unit does not exceed 5,280 feet.
5. Copies of this application have been furnished this date by registered mail to all offset operators and all operators within 1,500 feet of said well, as required by the revisions of said Rule 5 (b).

A plat is attached hereto showing, to the best of our knowledge and belief the proposed unit, the location of the well and the offset ownership.

In view of the facts set out herein it is respectfully requested that the Commission issue an order approving the non-standard gas proration unit for Continental Oil Company's State C-30 No. 5
