

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL 4444	X	REPORT ON PULLING OR OTHERWISE ALTERING CASING

THEORY OF THE EARTH

CHAPTER I. OF THE ORIGIN OF THE EARTH.

The first question which presents itself to the mind is, what was the origin of the earth? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The second question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was in a state of confusion and darkness.

The third question which presents itself to the mind is, what was the duration of the state of confusion and darkness? and the answer to this question is, that it lasted for six days.

The fourth question which presents itself to the mind is, what was the state of the earth at the end of the six days? and the answer to this question is, that it was in a state of order and light.

The fifth question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The sixth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.

The seventh question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The eighth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.

The ninth question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The tenth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.

The eleventh question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The twelfth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.

The thirteenth question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The fourteenth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.

The fifteenth question which presents itself to the mind is, what was the state of the earth at the beginning of the world? and the answer to this question is, that it was in a state of order and light.

The sixteenth question which presents itself to the mind is, what was the state of the earth at the end of the world? and the answer to this question is, that it was in a state of order and light.
