Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intentiton to do certain work as described below at the _____

Amerada Petroleum Corporation Larsen Well No. 2 in NE 1/4 NW 1/4
Company or Operator
of Sec. 32, T. 19, R. 37, N. M. P. M., Monument Field,
Lea County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

12 1/2" 40# 8-Tbd. New Lap Weld casing was set in this well at 200' and cemented by the Halliburton Method with 200 sacks.

Cement will be drilled out of the casing and the hole will be bailed dry and allowed to stand undisturbed for one hour. The bailer will then be ran to bottom again to determine if any water has accumulated. If no water has accumulated the drilling will then be resumed.

Approved JAN 5 1937 19_____
except as follows:

Amerada Petroleum Corporation
Company or Operator

By J. A. Starkey
Position Farm Boss

Send communications regarding well to

Name J. A. Starkey
Address Monument, New Mexico

Title _____

THEORY OF THE EARTH

CHAPTER I. OF THE ORIGIN OF THE EARTH.

The first question which presents itself to the mind is, what was the cause of the origin of the earth? The answer to this question is, that the earth was created by the power of God, and that it was created out of nothing. The second question is, what was the state of the earth at the time of its creation? The answer to this question is, that the earth was in a state of chaos, and that it was covered with water.

The third question is, what was the state of the earth at the time of the deluge? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water. The fourth question is, what was the state of the earth at the time of the building of the tower of Babel? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water.

The fifth question is, what was the state of the earth at the time of the building of the tower of Babel? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water. The sixth question is, what was the state of the earth at the time of the building of the tower of Babel? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water.

THEORY OF THE EARTH

The seventh question is, what was the state of the earth at the time of the building of the tower of Babel? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water. The eighth question is, what was the state of the earth at the time of the building of the tower of Babel? The answer to this question is, that the earth was in a state of confusion, and that it was covered with water.

CHAPTER II. OF THE ORIGIN OF THE HUMAN RACE.

The first question which presents itself to the mind is, what was the cause of the origin of the human race? The answer to this question is, that the human race was created by the power of God, and that it was created out of nothing. The second question is, what was the state of the human race at the time of its creation? The answer to this question is, that the human race was in a state of chaos, and that it was covered with water.

The third question is, what was the state of the human race at the time of the deluge? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water. The fourth question is, what was the state of the human race at the time of the building of the tower of Babel? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water.

The fifth question is, what was the state of the human race at the time of the building of the tower of Babel? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water. The sixth question is, what was the state of the human race at the time of the building of the tower of Babel? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water.

The seventh question is, what was the state of the human race at the time of the building of the tower of Babel? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water. The eighth question is, what was the state of the human race at the time of the building of the tower of Babel? The answer to this question is, that the human race was in a state of confusion, and that it was covered with water.
