Re: Texaco Expl. & Prod. Inc.
State H #2-K, Sec 32, T19S, R37E
(NMGSAU Blk 16 #11)

Dear Mr. Williams:

The information which you have submitted on the above referenced well, abandonment of the Eumont zone by squeezing off the perforated interval, has been evaluated and no further work is required on this well.

Very truly yours

OIL CONSERVATION DIVISION
