Gentlemen:

We understand that the enclosed Affidavit of Communitization Agreement is necessary to permit completion of your approval of the Gas Pooling Agreement covering the N/2 SW/4 and the NW/4 SE/4 Section 32-19S-37E, Lea County, New Mexico, Eumont Field, Tidewater's State "H" No. 2 well.

We trust that your approval can now be forthcoming and that the Gas Pooling Agreement which we sent to the Commissioner of Public Lands, at Santa Fe, on January 24, 1957, will be consented to on behalf of the State of New Mexico.

If there is anything else required, please advise us.

Very truly yours
