Dear Mr. Randel:

Mr. Eric Engbrecht, Oil & Gas Inspector for the Commission, has made an inspection of the location for your plugged and abandoned Williams No. 2 in Unit P of Section 33, T-19-S, R-37-E and has found that the dead men wires are not cut.

Please notify this office when this has been done so that a final inspection can be made and your Report of Final Plugging approved without further delay.

Yours very truly,
