TITLE

This form is to be filed in compliance with RULE 1-104.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the deviated tests taken on the well in accordance with RULE 1-111.

All sections of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and IV for changes of owner, well name or number or transporter or other such change of conditions.

Separate Forms O-104 must be filed for each pool in multiple completed wells.
