Dear Mr. Porter:

I herewith apply for exception to the "No-flare Order" on my State "EA" lease, S/2 NE/4 Section 35, T-19S, R-37E, Lea County, New Mexico. There are two wells on the lease, the State "EA" No. 1 and the State "EA" No. 2.

E. J. MONT

Enclosed is a plat showing well locations, offset ownership, and location of tank battery.

We wish permission to flare or vent gas until such time as Warren Petroleum Corporation has completed installation of their gas line. Gas volume to be flared is 28 MCF per day. Gas-oil ratio for No. 1, 754/1; No. 2, not run as yet. The lease is one mile from the nearest gathering line.

Enclosed is a letter from Warren Petroleum Corporation stating that they will purchase our gas and are making the necessary installation. Connection should be made within 30 days. We would appreciate your returning the enclosed letter from Warren Petroleum for our files.

Yours very truly,
