TITLE
This form is to be filled out in accordance with RULE 1014
If this is a consent well or a newly drilled or deepened well, this form shall be accompanied by a tabulation of the flow tests taken on the well in accordance with RULE 1014.
All sections of this form shall be filled out completely for all wells on new and recompleted wells.
Fill out only Sections II, III, IV, and VI for changes of oil well name or number or location or for such change of conditions.
Separate forms shall be filled out for each pool in multiple completed wells.
