V. DATA AND REQUEST FOR ALLOWABLE

The transportation of oil and natural gas from the well described above to the point of destination described below is authorized by the Commission.

The transportation of oil and natural gas from the well described above to the point of destination described below is authorized by the Commission.

The transportation of oil and natural gas from the well described above to the point of destination described below is authorized by the Commission.

VI. CERTIFICATION OF COMPLIANCE

VII. CONSENT OF THE COMMISSION

I, the undersigned, hereby certify that the data and request for allowable for the well described above are true and correct to the best of my knowledge and belief.

This form is to be filed in compliance with Rule 104.

This is a request for allowable for a newly drilled or deepened well. It must be accompanied by a tabulation of the deviation from the vertical of the well in accordance with Rule 104.

All sections of this form must be filled out completely for allowable on new and deepened wells.

Fill out only Sections I, II, III, and VI for changes of owner, lease, or location of transportation other than change of condition.

Separate Forms C-104 must be filed for each pool in multiple completed wells.
