Gentlemen:

Effective September 1, 1962 your State A-2-A Well No. 3 located in Unit O of Section 2, T-20-S, R-37-E will be reclassified as a gas well producing from the Esment Gas Pool. This reclassification is necessitated by your recently submitted gas-oil ratio test which indicated the well to be producing with a ratio in excess of 100,000:1.

It will be necessary that you shut in this well on September 1, 1962 and leave the well shut in until you have complied with the provisions of Commission Order No. R-1670 which pertain to the Esment Gas Pool.

Yours very truly,

OIL CONSERVATION COMMISSION

September 1, 1933

Dear Sir:

Effective September 1, 1933, your lease A-2-A well No. 3 located in Unit 3, Section 1, T-10-S, R-10-E, will be reclassified as a gas well. This reclassification is necessary because of your recently submitted gas-oil ratio test which indicated the well to be producing with a ratio in excess of 100,000.

It will be necessary for you to comply with the provisions of the act and leave the well in this well on September 1, 1933. You will have complied with the provisions of the act under No. 1-A-2-A which permits to the owner the right to produce gas.

Yours very truly,

OIL CONSERVATION COMMISSION
