This form is to be filed in compliance with RULE 110.

If this is a request for allowance for a newly drilled or well, this form must be accompanied by a tabulation of the tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely able on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes well name or number, or suspension or other such change of

Separate Forms G-124 must be filed for each pool or completed wells.

IF this is a request for a new well, this form must be accompanied by a tabulation of the data of tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of well name or number, or transportation or other such change of conditions.

Separate Forms G-114 must be filed for each pool in multiple completed wells.
