ATTENTION: MR. STANLEY J. STANLEY

Gentlemen:

It has recently been brought to our attention that your office does not have in its possession Form C-104 and C-110 relative to the above captioned gas well.

We are herewith submitting the required forms together with a plat designating the acreage dedicated to this well consisting of the West 1/2 of the Northeast 1/4 and the East 1/2 of the Northwest 1/4 of Section 3, Township 20 South, Range 37 East, Lea County, New Mexico. The other three wells which we have spotted on the plat (A-1, B-1 and C-1) are oil wells from which only casinghead gas is sold, other than oil.

Trusting that the above mentioned enclosures are in order, and that an allowable for the production of gas from the C-2 well will be issued from January 1, 1954, we are

Yours very truly,

E. B. CLARK & C. B. CHRISTIE
