17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1703.

8-14-74:

We will pull rods and tubing to run logs. Then set 5½" CR in bottom of 5½" casing to squeeze open hole. We will drill the cement to 3850' and cement a 3½" liner in the open hole. Then liner will be perforated from 3835' to 3700' in the Grayburg leaving the San Andres shut off which is 100% water in this well.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
