Dear Sir:

Attached hereto please find three copies  
of drill stem test made on our Laughlin #1 well  
located in the NW SE $\frac{1}{4}$  Section-5, Township-20s,  
Range 37e, Lea County, New Mexico.

We failed to attach these to the well record  
on this well which was submitted October 6, 1936  
and ask that you do so.

Very truly yours,

*D. Bodie*
