Attn: Mr. J. B. Macey, Chief Engineer

Dear Sir:

In checking on the distribution of our amended application request for the dual completion of our Laughlin Well No. 5, we have found that distribution was made. Four copies were mailed to the Commission at Hobbs on October 9, 1953, and they in turn sent all copies to your office.

A new distribution is being made to the Commission to replace lost copies.

Very truly yours,

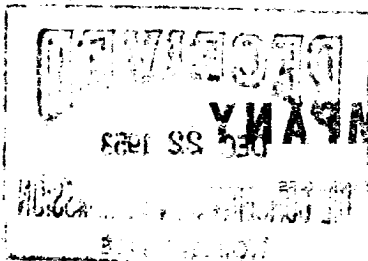

CITIES SERVICE OIL COMPANY
