

New Mexico Oil Conservation Commission
July 29, 1954
Page 2

(f) That the applicant will comply with all rules and regulations of the New Mexico Oil Conservation Commission to maintain separation of production from the two pay zones.

(g) That the manner and method of the proposed dual completion is mechanically feasible and practical.

(h) That by copy of this letter of application, all offset operators are notified of the proposed dual completion.

Therefore, Gulf Oil Corporation requests that the Oil Conservation Commission grant permission to the applicant to dually complete the subject well as proposed in this application

Respectfully submitted,
