LOG OF OIL OR GAS WELL

[illegible]

1. The first part of the document is a letter from the staff of the State Department to the President, dated 10/10/54. The letter is signed by the Secretary of State, A. A. Bliss, and is addressed to the President. The letter discusses the situation in the State Department and the need for a new Secretary of State. The letter is dated 10/10/54 and is signed by the Secretary of State, A. A. Bliss.

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED

[illegible]

It is of the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any casing was "sidetracked," or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and number of shots. If plugs or bridges were put in to test for water, state kind of material used, position, and results of pumping or bailing.
