In October and November, 1996, Doyle Hartman performed remedial work on the H. M. Britt Nos. 3 & 12 in G&C-7-20S-37E respectively, and we plan to do more work to the 320-acre H. M. Britt lease in order to make it more productive. The wellbore is a candidate to be recompleted and stimulated to the Eumont Gas Pool. We respectfully request to leave the well Temporarily Abandoned pending further evaluation.

14. I hereby certify that the foregoing is true and correct
