We intend to plug back from the Elinebry Pay to approximately 5250' in the Paddock Pay.

Our T. Anderson #4 on this same "40" was originally projected to the Paddock but as it was dry in the Paddock it has now been drilled to the Elinebry and is in the process of being completed. (Please see our T. Anderson #4, C-102, dated 7-8-54.)

For this reason we intend to plug this well back to the Paddock.
