NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

REQUEST FOR (OIL) - (GAS) ALLOWABLE

(Form C-104)
Revised 7/1/52)

RECEIVED
DEC 30 1953
New Well
Recompletion

This form shall be submitted by the operator before an initial allowable will be assigned to any completed oil or gas well. Form C-104 is to be submitted in QUADRUPLICATE to the same District Office to which Form C-101 is submitted. The allowable will be assigned effective 7:00 A.M. on date of completion or recompletion, provided this form is filed during calendar month of completion or recompletion. The completion date shall be that date in the case of an oil well when oil is delivered into the stock tanks. Gas must be reported on 15.025 psia at 60° Fahrenheit.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the implementation of internal controls to prevent fraud and ensure the accuracy of financial data. It outlines the key components of a robust internal control system, including segregation of duties, authorization procedures, and regular monitoring and evaluation.

3. The third part of the document addresses the challenges faced by organizations in managing their financial resources effectively. It discusses the importance of budgeting, forecasting, and financial analysis in making informed decisions and optimizing resource allocation.

4. The fourth part of the document explores the role of technology in modern accounting and finance. It highlights the benefits of using accounting software and data analytics to streamline processes, improve accuracy, and gain valuable insights from financial data.

5. The fifth part of the document discusses the importance of ethical considerations in financial reporting and the role of the accounting profession in upholding high standards of integrity and transparency. It also touches upon the impact of regulatory changes on financial reporting practices.

6. The sixth part of the document provides a summary of the key findings and recommendations from the study. It emphasizes the need for continuous improvement in financial management practices and the importance of staying up-to-date with the latest trends and best practices in the field.

7. The final part of the document includes a conclusion and a list of references. The conclusion reiterates the significance of effective financial management for the success of an organization and the role of the accounting department in achieving this goal. The references list the sources used in the research, including books, articles, and online resources.
