Attention: Mr. J. T. Reeves

Re: Order No. R-637

Gentlemen:

Reference is made to the above-captioned order pertaining to a 320-acre non-standard gas proration unit in the Eumont Gas Pool consisting of the following acreage:

Township 20 South, Range 37 East, NMPM
E/2 E/2 of Section 7
W/2 W/2 of Section 8

It is understood that this unit was ascribed to your J. Barber Well No. 7, located 990 feet from the West line and 1650 feet from the North line of Section 8, Township 20 South, Range 37 East, NMPM, Lea County, New Mexico.

It has been deemed advisable to increase the acreage dedicated to this well to 320 acres effective the first day of June 1955. This increase will be reflected on the October 1955 gas proration schedule. Upon completion of the approved operating agreement with Stanolind Oil and Gas Company, please notify this Commission by letter.

Very truly yours,

W. B. Macey
Secretary-Director
