1911-12

ANNUAL REPORT OF THE STATE GEOLOGIST

Presented to the Legislature at the Session of 1911-12, by the State Geologist, J. W. COOK.

Published by the State Printer, Santa Fe, N.M.

Price, 10 Cents.

Copyright, 1911, by J. W. Cook.

Printed by the State Printer, Santa Fe, N.M.

1911

Report of the State Geologist, J. W. Cook, for the year 1911-12.

The report of the State Geologist for the year 1911-12, is a valuable contribution to the knowledge of the geology of New Mexico.

The report is divided into two parts, the first part dealing with the geology of the State, and the second part dealing with the geology of the Territory.

The first part of the report deals with the geology of the State, and is divided into two sections, the first section dealing with the geology of the State, and the second section dealing with the geology of the Territory.

The second part of the report deals with the geology of the Territory, and is divided into two sections, the first section dealing with the geology of the Territory, and the second section dealing with the geology of the Territory.
