

NEW MEXICO STATE LAND OFFICE
OFFICE OF THE STATE GEOLOGIST
SANTA FE, NEW MEXICO

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the State Geologist or proper Oil and Gas Inspector at least five days before the work specified is to begin. A copy will be returned to the sender on which will be given the approval with any modifications considered advisable or the rejection by the State Geologist or Oil and Gas Inspector of the plan submitted. The plan as approved should be followed and work should not begin until approval is obtained.

MEMORANDUM

TO: THE BOARD OF DIRECTORS

FROM: J. M. HARRIS, Vice President
SUBJECT: PROPOSED PLAN OF WORK
The proposed plan of work for the year 1934 is being submitted to the Board of Directors for their consideration. The plan is based on the assumption that the company will continue to operate in the oil and gas business and that the market for oil and gas will remain strong. The plan provides for a continuation of the company's policy of expansion and development of its oil and gas properties. It also provides for a continuation of the company's policy of maintaining a strong financial position and of paying dividends to its stockholders. The plan is based on the assumption that the company will continue to operate in the oil and gas business and that the market for oil and gas will remain strong. The plan provides for a continuation of the company's policy of expansion and development of its oil and gas properties. It also provides for a continuation of the company's policy of maintaining a strong financial position and of paying dividends to its stockholders.

PROPOSED PLAN OF WORK

The proposed plan of work for the year 1934 is being submitted to the Board of Directors for their consideration.

It is recommended that the plan be approved.
