HOBBS, NEW MEXICO

October 10, 1956

Sun Oil Co.  
Box 2792  
Odessa, Tex.

Gentlemen:

A check of the file for your McKinley No. 5 in Unit B of Section 5, T-19-S, R-38-E shows that on April 3, 1954 Form C-103 outlining repair work done on the well was approved. This form shows it to be a gas well in the Byers Queen Gas Pool, although it does not appear on the Gas Proration Schedule. Please advise as to the present status of this well.

Yours very truly,

OIL CONSERVATION COMMISSION

Mr. J. H. ...  
New Mexico,  
Albuquerque, New Mexico

Gentlemen:

A check of the life for your oil property in  
the State of New Mexico, 1934-1935, shows that in  
April, 1934, your property was not in the State  
of New Mexico. This fact shows it to be  
a gas well in the State of New Mexico, although it  
does not appear on the gas field map. Please  
advise us to the present status of this well.

Very truly,  
/s/
