Per your letter dated February 1, 1987 concerning flaring of casinghead gas, the McKinley Well Nos. 12 and 19 are no longer producing gas.

Therefore, Amoco Production Company will not apply for further permission to flare gas at the McKinley Lease.

If there are any questions, please contact John Breeden at (505) 393-1781, Extension 2222 or Steve Brownlee, Extension 2257.
