FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

We plan to centralize tank batteries on our State "A" Tract 5 Lease in the Hobbs Field. On March 24th, 1942, at 11:00 PM, lightning struck our battery serving wells #1 and #26, and the resultant fire destroyed the four tanks serving these wells. It is now our intention to centralize tank batteries on this lease and produce all four wells into central tank battery.
