Gentlemen:

I regret that it has been impossible to reply sooner to your letter of July 27th, owing to the fact that I have been out of the state and did not return to Santa Fe until this morning.

The blanket bond of the Walker Oil Corporation, which accompanied your letter, has been examined and found to be satisfactory. We are, therefore, authorizing the cancellation of the United States Fidelity and Guaranty Company bond with the Walker Oil Corporation as principal in the amount of \$10,000.00, under date of May 15, 1930, this cancellation should be effective August 1st, 1933.

Copies of this letter are being sent to the Walker Oil Corporation and to the C. A. Bishop Company, local representatives of the United States Fidelity and Guaranty Company.

Very truly yours,

EH :F

E. H. Wells,
State Geologist.
