Mr. J. D. Hunter  
State Oil and Gas Inspector  
Carlsbad, New Mexico

Dear Mr. Hunter:

This is in reply to your letter of June 14th, re: Walker Oil Corporation bond.

No doubt, you have in your files my letter to Mr. Harry Walker under date of June 17th. To date no reply has been received. When convenient it may be well to discuss this matter with Mr. Walker.

In view of the good condition of the two wells, \$10,000.00 may be more than is necessary for the bond but, on the other hand, a personal bond does not have a premium so if Mr. Walker feels that the \$10,000.00 is excessive, I would not particularly object to reducing the amount somewhat. In this case, however, the amount of the bond should apply only to the two present wells.

Very truly yours,

EHW:F
