Dear Sir:

On or about August 29, 1950, Hardin & Houston, trucking contractors will transport approximately 100 barrels of crude petroleum from the tank battery on Stanolind Oil and Gas Company's A. L. Foster "B" Lease located in the SE/4 of Section 14, T-19-S, R-38-E, to Stanolind Oil and Gas Company's D. E. Howse "B" #1, SE/4 SE/4 Section 11, T-20-S, R-38-E.

This oil will be used to displace mud and acidize in connection with completion operations.

Yours very truly,

*Ralph L. Hendrickson*
