Dear Mr. Yates:

A check of the file for your Forest-McClaferty No. 1 in Unit B of Section 21, T-19-S, R-38-E indicates that no further reports have been filed for the well since the Notice of Intention to Plug was approved on June 20, 1957.

We shall appreciate your filing Form C-103 at your earliest convenience showing the present status of this well.

Yours very truly,
