Dear Sir:

On or about April 25, 1950, Hardin and Houston, trucking contractors, will transport approximately 300 barrels of crude from the tank battery on Stanolind Oil and Gas Company's State "U" Lease to Stanolind Oil and Gas Company's A. L. Foster "A" Royalty Account "B", drilling well #2.

This oil will be used in acidizing A. L. Foster "A" #2 in connection with completion operations.

Very truly yours,

RALPH L. HENDRICKSON
